

### **Payment of Application Fee for Some Foreign Applicants Policies and Procedures**

The Chemistry Department at Yale University will pay the application fee for applicants from foreign countries who apply during the Fall of 2009 (in order to begin graduate school in the Fall of 2010) according to the following criteria:

1. Only applicants who are required to take the TOEFL iBT are eligible. That is, he or she must currently be enrolled at an institution whose language of instruction is **not** English.
2. Eligible applicants must have **started** an application, but not necessarily have completed it, in advance of the January 2, 2010 deadline. Starting the application and notifying the Chemistry Department at the earliest possible time is highly encouraged.
3. The applicant must have received a score of **26 or higher** on the speaking portion of the TOEFL iBT (or a score of 50 or higher on the TSE). It is the applicant's responsibility to instruct the Educational Testing Service (ETS) to send their scores to Yale University Code 3987.
4. The applicant has met all requirements for applying to the Chemistry Ph.D. program.

#### **Procedure:**

1. Applicant applies online at [www.yale.edu/graduateschool/admissions/application.html](http://www.yale.edu/graduateschool/admissions/application.html) . The application website will open in mid-August, 2009.
2. Applicant must instruct ETS (the Educational Testing Service) to send his or her TOEFL iBT scores to Yale University. The institution code for Yale University is 3987. If asked for a department code, please use 99 (undecided). If we do not receive official scores, the application will not be evaluated.
3. Applicant must notify the Chemistry Department ([chemistry.dgs@yale.edu](mailto:chemistry.dgs@yale.edu)) in advance of the January 2nd deadline that he or she has started an application, and that his or her speaking portion of the TOEFL iBT is 26 or higher.
4. The application fee for up to 50 eligible applicants will be paid by the Chemistry Department.
