

2018 Yale Chemical Biology Fall Retreat

Friday, November 9 • West Campus Conference Center

SCHEDULE OF EVENTS

11:00 – 11:30 AM	Registration WC Conference Center Lobby	3:00 – 3:30 PM	Matthew Simon, Ph.D. <i>Chemical tools to study the non-coding transcriptome</i> Grace Murray Hopper Auditorium
11:30 AM – 12:20 PM	Lunch/Poster Session WC Conference Center Event Room A/B	3:30 – 4:00 PM	Craig Crews, Ph.D. <i>PROTAC-mediated Protein Degradation: A New Therapeutic Modality</i> Grace Murray Hopper Auditorium
12:20 – 12:30 PM	Scott A. Strobel, VP West Campus Opening Remarks Grace Murray Hopper Auditorium	4:00 – 4:30 PM	Christine Jacobs-Wagner, Ph.D. <i>What makes the Lyme disease pathogen special</i> Grace Murray Hopper Auditorium
12:30 – 1:30 PM	Michelle Arkin, Ph.D. <i>Tackling protein-protein interactions, a biophysical perspective</i> Grace Murray Hopper Auditorium	4:30 – 4:45 PM	Sarah Slavoff, Ph.D. Poster Prizes, Closing Remarks Grace Murray Hopper Auditorium
1:30 – 2:00 PM	Candice E. Paulsen, Ph.D. <i>Paulsen Lab Studies Molecular Mechanisms of Pain</i> Grace Murray Hopper Auditorium	4:45 – 5:45 PM	Cocktail Reception West Campus Conference Center Lobby
2:00 – 2:30 PM	Yansheng Liu, Ph.D. <i>High-Resolution Proteomics Analyzing Cancer Cells and Signaling Transduction</i> Grace Murray Hopper Auditorium		
2:30 – 3:00 PM	Coffee Break West Campus Conference Center Lobby
