

# CHEMISTRY UNDERGRADUATE RESEARCH SYMPOSIUM

4 MAY | 10:15PM FEATURED TALK  
SCL 111  
| 11-12PM POSTER SESSION  
SCL LIBRARY

All faculty, research group members, and chemistry majors are invited to the annual symposium, highlighting the research of the graduating seniors.

## FEATURED SPEAKER

**Matthew Pecoraro**

Our sole BS/MS student and featured speaker, will start the event with a talk about his research in SCL 111. Then we'll move to the SCL Library to learn about the graduating seniors' research through a poster session.
